EUROPE

ABUJA, NIGERIA 16-17 JULY 2025

Africa Health Business Symposium

Under the theme “Leveraging Innovation to Advance UHC in Africa”, the Africa Health Business Symposium will provide a platform to assess Africa’s journey toward Universal Health Care, addressing challenges and highlighting both proven and emerging solutions.

#AHBSYMPIUM25

MUMBAI, INDIA 19- 21 SEPTEMBER 2025

Global Digital Health Summit

This event offers a unique opportunity to connect with global leaders who have successfully transitioned from traditional healthcare delivery to technology-enabled care, offering insights and guidance on implementing Digital Health solutions in both individual practices and organizational settings.

#GDHS2025

NEW YORK, USA 22-24 SEPTEMBER 2025

ECHAlliance The Global Health Connector @ UNGA80

The Science Summit during UNGA80 is a hybrid event offering a dynamic blend of online and in-person sessions in the vibrant setting of New York City. The goal of the summit is to bridge the gap between science and policy, ensuring that cutting-edge scientific insights inform the development and implementation of sustainable, inclusive global policies.

KIGALI, RWANDA 13-15 OCTOBER 2025

Africa Health Tech Summit

The Africa Health Tech Summit, a premier event that explores the role of technology in shaping Africa's health landscape, presents an ideal opportunity to engage with digital health stakeholders, partners, government representatives, academia, private sector, and civil society.

#AHTS2025

LAS VEGAS, USA 19-22 OCTOBER 2025

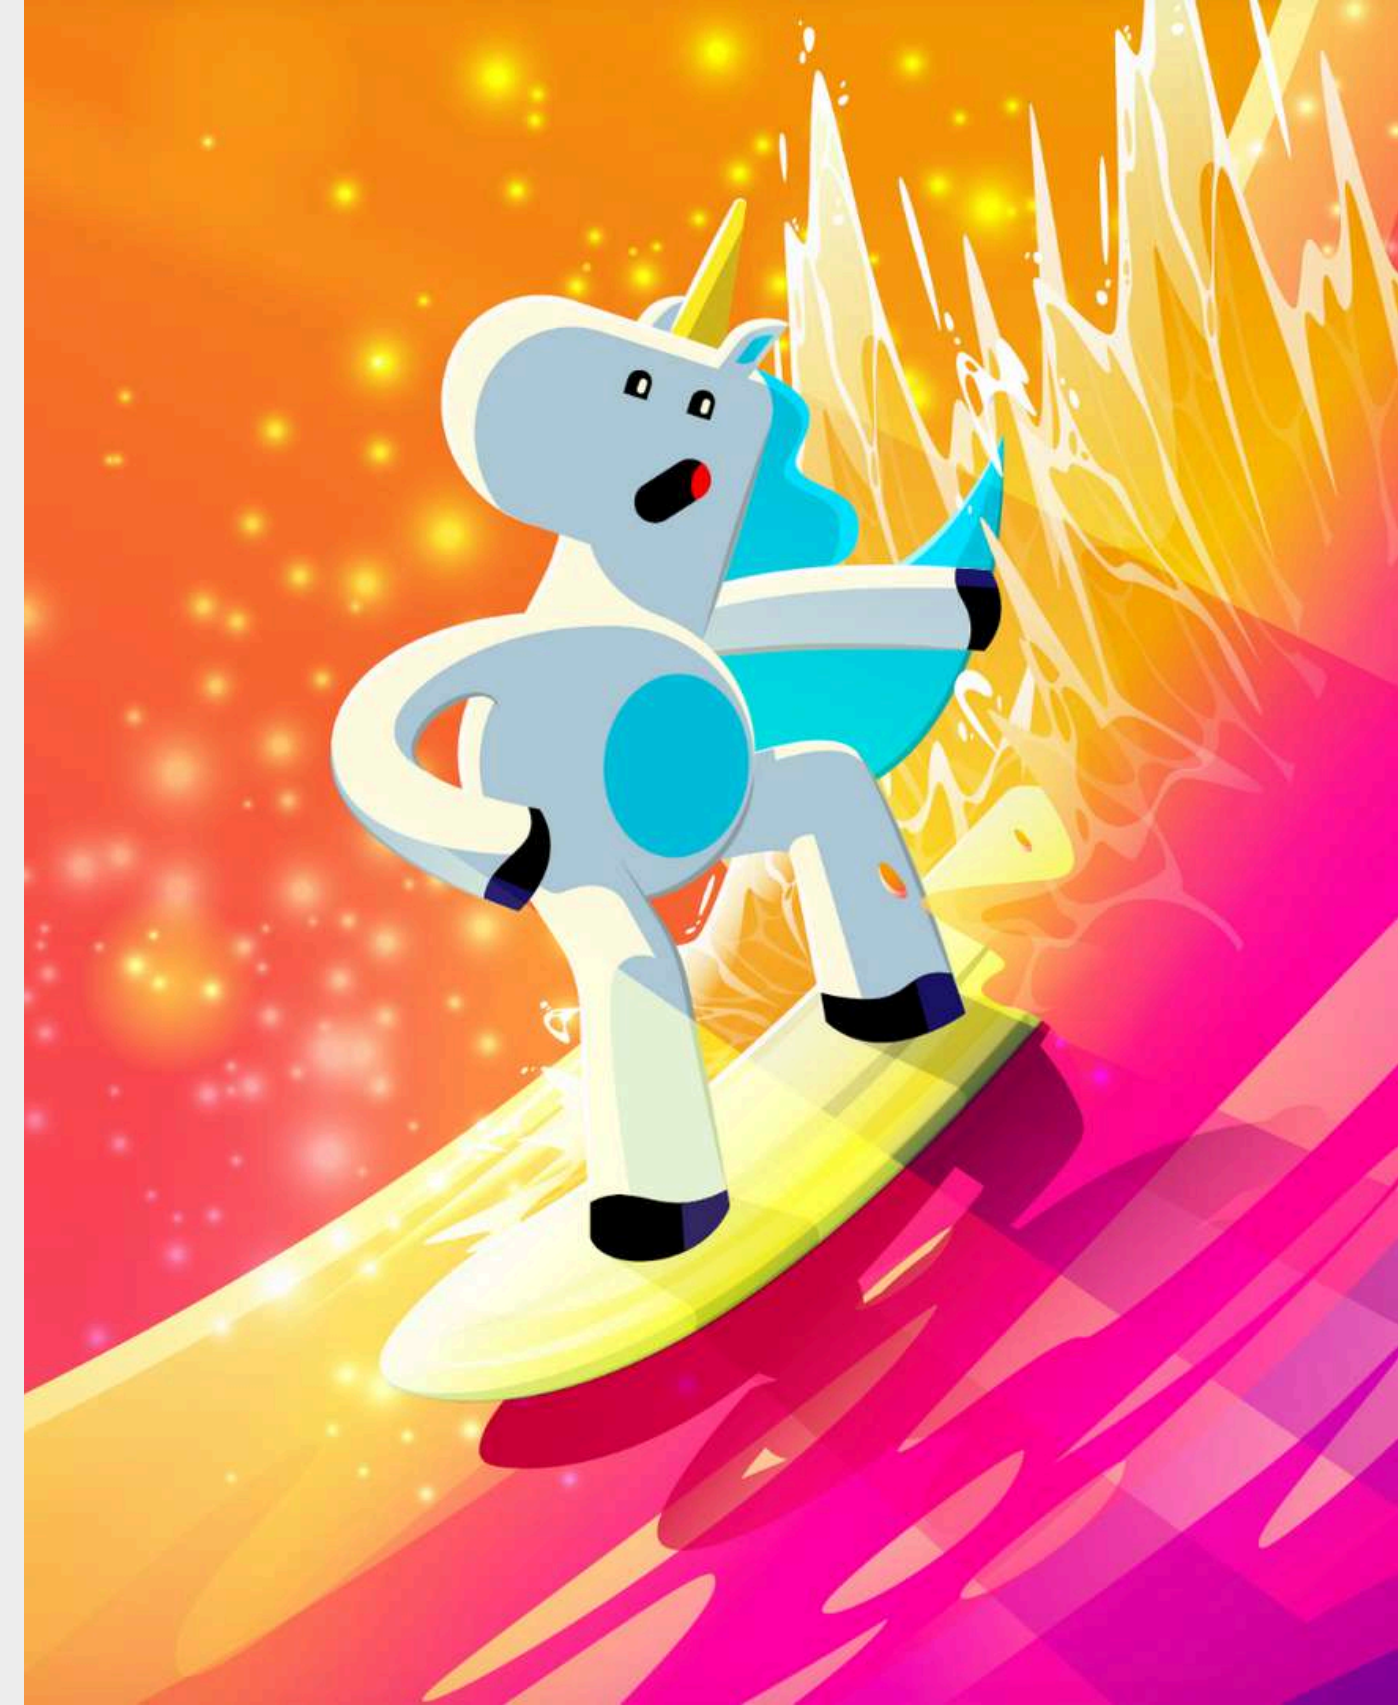

ECHAlliance The Global Health Connector @ HLTH Las Vegas

ECHAlliance's Global Health Connector Village and Partner Program provides a destination for HTLH's 12K+ delegates to connect with global organisations.

Bringing together the entire health ecosystem to learn, collaborate, and define the future of healthcare, HLTH will drive awareness and accelerate your growth goals with your presence at HLTH 2025.

#HLTH25

VIRTUAL 18-19 NOVEMBER 2025

7th Digital Health Society Summit

The 2-Day Virtual Summit promotes the latest thought leadership of the DHS, showcases innovation, research, European funded projects and addresses the latest digital and data challenges facing digital health.

The DHS Summit will build on +1300 registrations from +110 countries across the globe.

#DHSSUMMIT25

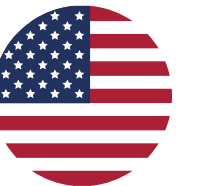

WASHINGTON, USA 19-20 DECEMBER 2025

ATA EDGE Policy Conference

The go-to event for cutting-edge insights. The American Telemedicine Association is the only organization that addresses telehealth policy from all angles – state and federal legislative priorities and issues that affect our industry – as well as international policy perspectives and the trends and opportunities to advance telehealth as a permanent option for care delivery.
