@MIDASProjectEU

MIDAS Work package dedicated to ethics and Governance

MIDAS Model for Ethics and Governance

- 2 approaches

Public engagement - through MIDAS-APP trial, and the MIDAS twitter-bot projects, one which is complete and used students and one that is currently under design.

An Honest Brokers model- Safe haven model that allows access and linkage of datasets (Anonymized) with curated health datasets as well as external datasets. It offers a governance system for review, approval, statistical merit as well as design.
