

connectinghealth

Connecting the dots within digital health innovation ecosystems

What is CONNECTINGHEALTH's goal?

Foster interconnected inclusive innovation ecosystems across Europe and maximize the value of innovation in the sector of digital health.

CONNECTINGHEALTH in numbers

4

international partners

20+

digital health ecosystems engaged

2

years of project (2022-2024)

10

workshops and other public activities for ecosystems to participate in

Why CONNECTINGHEALTH?

There is a need:

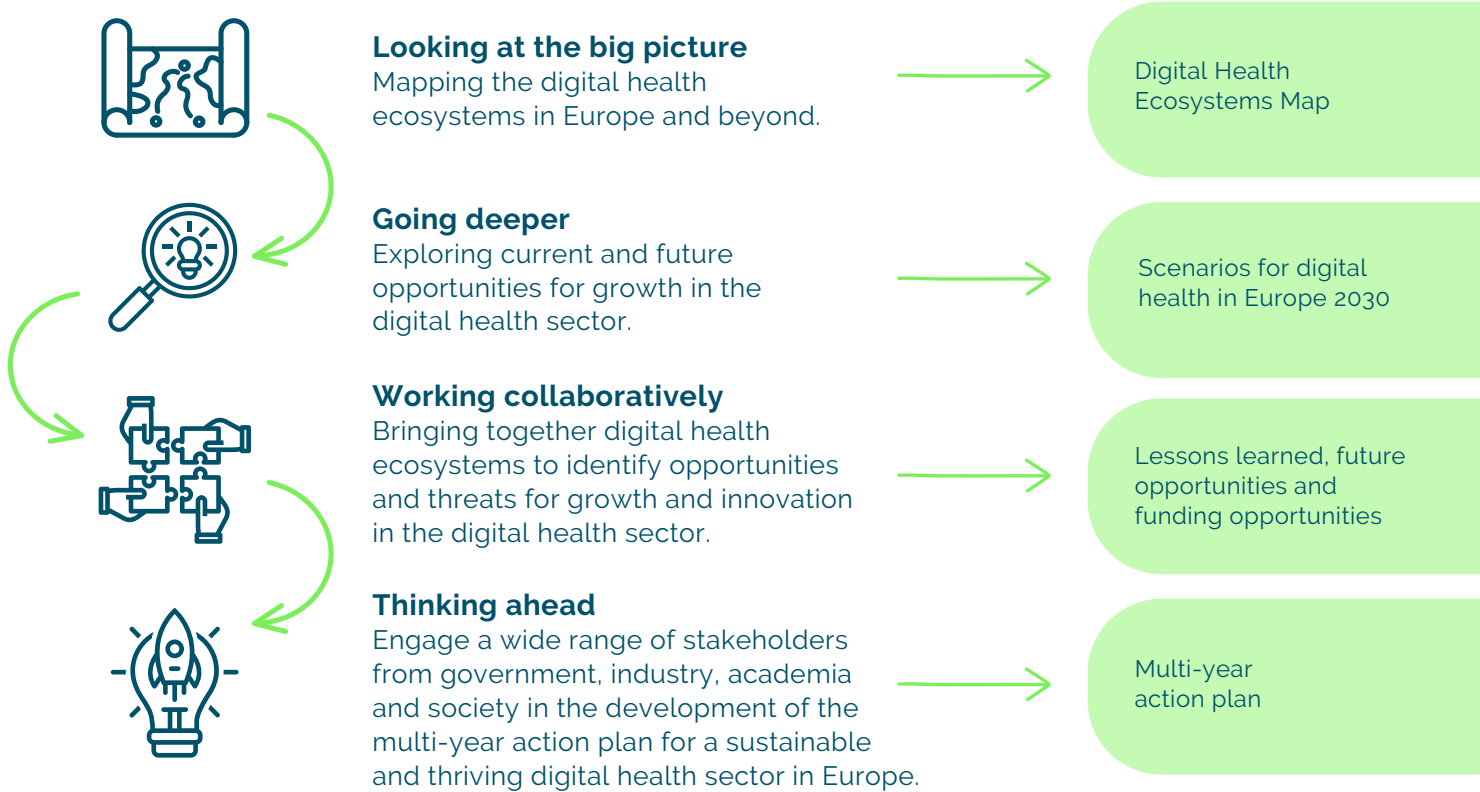

- To engage new stakeholders in digital health, fostering long-term engagement and collaboration beyond projects;
- To understand the future opportunities of the digital health industry and beyond and stream the existing and upcoming funding towards them.

Who can join CONNECTINGHEALTH?

CONNECTINGHEALTH aims to ensure the inclusion and collaboration of all key innovation players from government, industry, academia and society. Partner with us on the journey to leverage the opportunities for digital health in Europe.

How will we achieve it?

Main topics

Health for wealth

From traditional to new industries

Digitalization to improve engagement

Collaborate with us!

Be part of our digital health ecosystem map.

Follow us on social media and stay tuned on upcoming activities.

Discuss ideas about present and future digital health.
