5. Partner with our funding projects

HORIZON EUROPE WHAT IS IN FOR US?

Horizon Europe stands as the World's largest R&D program on a global scale. Budget of EUR 95.5 billion for the period from 2021-2027.

We are the Global Health Connector and build consortia with our members and ecosystems

We have 60 European ecosystem all looking for partners

We can connect and convene consortia We can guide you through the complexities. We will work with you as members - so join us!

Organizations, both public and private, can tap into funding opportunities from around the globe US, Africa etc

Projects funded must primarily benefit EU citizens.

Current Projects

Digital health and data policies

Digital health and care support tools

Skills for health and care workforce

Smart and healthy living

NOTRE

Thank you!
