Strategic Partnership Packages for Members
The Global Health Connector

Many of our members have expressed a desire for extra services that harness our ability to connect, convene, amplify and accelerate in a more targeted way as part of additional packages of support.

We recognise that our members need to plan and budget at least a year or more in advance and understand everyone’s business development needs are different.

With this in mind, we have selected key events, communication packages and activities based around our partnerships in numerous countries and continents and our networks on the ground. We can offer confidential discussions to understand your priorities and budgets and recommend how we would be best able to support you.
In this document you will find a series of opportunities that we as The Global Health Connector can offer, including panel participations, webinars, communications support, invitation only dinners, round tables discussions and podcasts that will match your campaigns now and in the coming months and years.

You can chose any of the opportunities listed within our connect, convene, amplify and accelerate pillars that best suit your organisation’s needs and we will tailor a personalised package to match your budget and goals.

- Premium series of podcasts and interviews using our communication channels
- Opportunities to launch new initiatives and programmes using our channels
2. Advisory & Policy Services (APS)
Our Advisory & Policy Services provide a range of consulting expertise to both members and non-members. Specialising in the development and promotion of health policies for regional and national governments. We offer guidance to diverse stakeholders, including industry representatives, aiding in the interpretation and development of policies set by government bodies, the European Union, and global organisations like the United Nations and the World Health Organisation.

*We do not provide lobbying services.*
We can provide services including but not limited to:

- Market Entry
- Market Profile and positioning
- Policy development and implementation e.g. Regional or national Digital Health Strategy
- Products and services market positioning
- Strategy development and implementation
- New Policy and Regulation scanning
- Education, skills and training (health and digital)

We will customise our offering after we have listened to and comprehensively understood your requirements, providing your organisation a personalised package adapted to your needs.
3. Connecting the Dots - Brand Visibility
The Global Health Connector - Communications Support Packages

Through our diverse communication channels, which include social media, newsletters, global ambassadors, podcasts, and ECHAlliance’s website, we can connect you with a network of over 50,000 people.

From this proposal you can choose communication activities designed to boost engagement, highlight your achievements, and nurture meaningful connections within our extensive community.

Alternatively, we can create a tailored package that will leverage our expertise to assist you with content and strategically position your campaign to achieve optimal reach.
A. **Special Feature** in our Member-to-Member Newsletter (1,400+ experts) or in our General Monthly Newsletter (18,000+ experts)

B. **Specific, Market-targeted Email Campaign**: One single and specific email marketing campaign targeted by country or industry to our experts database

C. **Social Media Campaign**
   Channels: ECHAlliance and Digital Health Society LinkedIn and Twitter (20,000+ followers).

D. **Social Media Campaign – Influencer accounts**: LinkedIn account of Brian O’Connor, ECHAlliance Chair (LinkedIn followers: 30,000+)
   Other team member accounts

E. **Podcast and Youtube Interviews**
   We can generate content together, aligning with the priorities of your organisation.

F. **Visibility in our Website**
   The ECHAlliance website gathers content, including the latest updates in digital health. We can prioritise your content.
4. Events Participation Agenda for 2024

Any of the services you choose can be tailored to align with our 2024 events agenda, read more.

The ECHAlliance Global Health Connector Event @ HLTH Europe

As Europe eagerly embraces this dynamic health event from the US, we take great pride in contributing our expertise to help shape the future of healthcare on a global scale.

ECHAlliance is delighted to be supporting HLTH Europe 2024 with our programme bringing together our over 75 + Ecosystems, Project partners, Members and our broader community to participate in an exciting, innovative and impactful series of sessions.

With a projected 3,500 attendees from over 50 countries, HLTH Europe 2024 promises to be a transformative experience, fostering collaboration and innovation globally.
The AHB Symposium is a pan-African conference that sits at the heart of the African healthcare scene. Via the symposium, AHB has curated a platform for promoting public-private sector partnerships and dialogue within the African healthcare sector.

This year the topic will be **A New Dawn of Partnerships for Women’s Health**

Join us at our ECHAlliance Partner Program.
ECHAlliance will host a ‘Global Health Connector’ event during the upcoming edition of the Science Summit at UNGA79. The Summit will take place in New York and virtually, a leading worldwide event to promote the contribution of science to achieving the UN Sustainable Development Goals (SDGs) for areas critical for our shared future: people, the planet, prosperity, peace and partnerships.

We will bring together key leaders from the European Union, Africa, India, Latin America and the United States.
The attendees rated the last Global Digital Health Summit as ‘Outstanding’ (91.13 %), and 53.2% rated it as the ‘best’ summit on Health. Together, we did our best to boost the adoption of Digital Health across the continuum of care.
The ECHAlliance Global Health Connector @ HLTH Las Vegas

One year more we will be part of HLTH Las Vegas, with our partner program and our global village.

Bringing together the entire health ecosystem to learn, collaborate, and define the future of healthcare, HLTH will drive awareness and accelerate your growth goals with your presence at HLTH 2024.

More than 10,000 industry leaders are expected to be part of HLTH Las Vegas 2024.
