Join Healthcare's #1 Innovation Event

The ECHAlliance Global Health Connector Village will bring together countries from across the world focusing on the latest innovations in digital health.

On Sunday **19th October** ECHAlliance will host a **3 hour partner program** on all things global health. From **20-22 October** the ECHAlliance '**Global Health Connector Village**' will showcase global innovation through our village exhibitors and relevant pitching and panel sessions on our own **Global Village Stage!**

Village exhibitors will have an opportunity to take part in Market Connect and Funding Founders programs connecting companies with buyers and startups with interested investors. All 'Village' exhibitors will have the chance to pitch/present on our Village Stage, and regional innovators zone organisers will have the opportunity to take part in panel discussions.
